

HTG GROUP
WORKWEAR AND SAFETY SPECIALISTS

Your Source for PPE,
Uniforms and Brandwear

CAPABILITY STATEMENT 2025

Locally Crafted. Nationally Trusted. Globally Ready.

HTG Group is a family-owned, woman-led Australian business committed to delivering exceptional branded workwear, PPE and promotional products. We have proudly served industries across Australia nearly two decades and continue to innovate.

Every garment we create embodies precision, durability and pride. We are passionate about craftsmanship, inclusivity and customer care, ensuring that both men and women are fitted with respect and purpose.

We proudly supply premium uniforms, PPE, and branded products — expertly made in Australia, trusted across the nation, and built to meet global industry standards.

Every Stitch, Print, And Product Is Crafted With Care And Intention.

Our purpose is to provide businesses with premium uniforms and promotional solutions that empower teams, elevate brands and safeguard workers. Combining technical precision with practical functionality to elevate brands and empower teams across Australia's diverse industries. We believe that a properly fitting uniform is the first line of defence — and a visible symbol of respect, professionalism and pride.

We are dedicated to producing garments that meet real-world operational needs while fostering inclusion, dignity and exceptional brand representation.

WORKWEAR AND SAFETY SPECIALISTS

HTG GROUP **CAPABILITY STATEMENT** 2025

Your Brand, Your Way — Made Local, Made to Last.

At HTG Group, we deliver a full suite of branding, uniform, PPE and promotional solutions. Every service is crafted in-house to ensure quality, consistency and brand excellence.

In-House Craftsmanship.
Real-World Durability.

WORKWEAR & PPE

We supply and customise high-quality workwear and PPE that fits both men and women. Our products are designed for safety, comfort and professionalism, providing optimal protection and representation across every worksite.

SCREEN PRINTING

Our screen printing process delivers bold, durable prints with exceptional clarity and colour consistency. Ideal for high-volume runs, this technique ensures logos, artwork, and branding maintain a professional, long-lasting finish—perfect for garments and fabrics across a wide range of industries.

EMBROIDERY

Our in-house embroidery provides a polished, professional finish. Every stitch is crafted with precision, reinforcing brand identity and ensuring garments retain durability and appeal even in the toughest working environments.

DESIGN SERVICES

We optimise and refine your brand artwork to suit embroidery, printing and promotional applications. Our team collaborates closely with you to maintain brand integrity and deliver stunning, production-ready results every time.

DIRECT-TO-FILM TRANSFERS

We produce flexible, vibrant direct-to-film transfers for versatile branding. When needed, we create and ship transfers directly to you, enabling convenient application across multiple garments, locations, or project timelines.

PROMOTIONAL PRODUCTS

Our promotional product solutions help businesses expand brand reach. We create custom-branded mugs, pens, bags and more — practical tools designed to leave a lasting impression with clients, partners and employees.

Empowering Teams Through Tailored Workwear Solutions.

We proudly support a wide range of industries with tailored solutions designed for performance, comfort and brand visibility.

We believe the right uniform strengthens teams, promotes pride, and safeguards workers. Our solutions are tailored for comfort, performance, and professionalism, creating confident teams across every sector.

➤ CONSTRUCTION

➤ GOVERNMENT AND EMERGENCY SERVICES

Strength, Safety, and Style — Built for Australia's Workforce.

HTG Group is proud to partner with businesses of every size and sector across Australia. Our clients include frontline services, government departments, private corporations, community organisations and SMEs who trust us for consistent quality, reliability and responsive service.

Our uniforms combine rugged durability, protective performance, and professional appearance, providing Australian workers with clothing they trust to perform, protect, and represent them in every workplace.

SES Hooded Towels

Real Results. True Craftsmanship.

HTG Group was engaged by the State Emergency Service (SES) to provide precision embroidery for garments used in field operations. The solution supported modesty, durability and official identification for volunteers operating in demanding, high-pressure environments.

THE CHALLENGE

SES needed a respectful garment for volunteers to change discreetly in remote, unsheltered areas. The solution had to suit all body types. HTG Group branded 500 hooded towels with SES logos, providing a practical, inclusive item for wet or soiled clothing situations.

OUR SOLUTION

HTG Group used in-house embroidery to apply SES and Flood Rescue logos with precision and durability. Logos were placed front and back for visibility and consistency. We met SES specifications, delivering high-quality results within tight timeframes, aligning with the service's operational and brand standards.

THE RESULT

HTG Group delivered on time and to spec. The branded towels support SES volunteers in the field, offering a practical, respectful changing solution. This project shows our ability to provide specialist branding that meets the functional needs of mission-critical organisations with care and professionalism.
